**Friends
of the Library**

Membership Form

Consider supporting the **Library** at Maggie L. Walker Governor's School this year by becoming a new or renewing *Friend of the Library*. Your contribution will help enhance our collections of digital, print, and audiovisual resources, and support library programs and services.

As a *Friend of the Library*, you will be able to borrow books and CDs from the library, attend library programs, and receive periodic updates about library news and services.

I encourage you to visit the **MW Library Research Commons**:

<http://sites.google.com/site/dragonlibrary>

As you familiarize yourself with the many ways in which the MW Library supports teachers and empowers students to become independent researchers and lifelong learners, you may also be interested in perusing the resources highlighted on the **Parenting Gifted Students** page of the MW Library Research Commons:

Thank you for your contribution and support.

Sincerely,

Wendy DeGroat
