

Student Financial Aid

The Governor's School Foundation seeks charitable contributions to enhance the educational environment for our students at MLWGS. We are proud to support student involvement in programs and/or experiences and to provide supplies and equipment that complement day to day classroom learning. We also recognize that not all students attending MLWGS have access to the same set of resources; therefore, the Foundation strives to connect students in financial need with the educational enhancements necessary to deepen their MLWGS experience.

The Governor's School Foundation works with the MLWGS administration and Office of Counseling to offer financial assistance to students in need. **The Foundation can often offer approved financial support to qualifying students in the following areas:**

AP, ACT and SAT prep books	Extra-curricular activity equipment
Behind the Wheel class	Food donations
Class and individual photos	Fundraisers
Class-related International travel	Graduation attire
Classroom requests for donations	Graduation cord payments
Conferences	Green Machine shirts
Competitions	Honor Society payments
Club and sports camps	Parking permit
Club dues	Required classroom supplies
Class trip payments	School supplies including backpacks
Class T-shirts	Student fees for dual enrollment etc.
Dance tickets	Summer reading books
Drama productions	Wireless internet access
Driver's education course	Yearbook

Students who qualify for free or reduced lunch are potentially eligible for financial assistance with many of the educational enhancements listed above. Financial assistance is also available for students in need who might not necessarily qualify for the free lunch program.
