

Dear Maggie Walker Families:

As parents of a student at Maggie Walker, we hope that you decide to support both your child and the Music Program by purchasing a *Mid-Term Survival Kit*. What a great way to raise money for our music program and give your Dragon a boost to help get through their ever-dreaded Mid-Term exams!

Each kit is complete with an array of yummy study snacks and tried and true stress relievers hand-picked by fellow MLWGS students. Personalize it with your own handwritten note, picture or gift card and you are sure to put a smile on your student's face. Just think of the comfort your thoughtful gesture will bring!

Each kit will include items such as a beverage, granola bars, chocolate, gum, sweets, hot chocolate and more! *Mid-Term Survival Kits* can also be ordered for teachers, staff and friends.

We hope that this brand new fundraising event will be a huge success this year. Last year, Music Boosters purchased over \$15,000 worth of instruments, equipment and room upgrades for the chorus, orchestra, jazz band, recording studio and practice rooms! While that was an uncommonly favorable year, we regularly provide the funding for sheet music, teacher trainings, musical performers, as well as subsidize trips, pay for students' registration for special events like district chorus, and set up the post-concert receptions at school. Music at Maggie Walker enriches the lives of the entire student body.

The *Mid-Term Survival Kits* will be delivered to your student on January 21 & 22. Thank you for your support!

Joyce Handy, Fundraising Chair MLWGS MUSIC BOOSTERS
